

Fairgrounds Camping Map & Information

The Manatee River Fair Association enjoys having campers on the grounds during events and we want your stay to be a pleasant one. In order to better serve you we have made some changes which will began in October of 2010. Each power box on the fairgrounds will be designated with a letter. Please review the map and legend to make selections for potential camping sites. Each power box has a different configuration of 30 and 50 amp services. In the space provided make your top three (3) preferences or select "No Preference". Camping spots will be allocated as reservations are received in the fair office. Campers not making reservations may have to wait for availability. (All boxes now have water available)
